DETAILED ACTION

Examiner's Amendment

1. During telephone conversation with Wayne M. Kennard, Attorney for the Applicants, Registration Number 30,271 on June 7, 2006 authorizations for this Examiner's amendment was given in a telephone interview.

An examiner's amendment to the record appears below. Should the changes and/or additions be unacceptable to applicant, an amendment may be filed as provided by 37 CFR1.312. To ensure consideration of such an amendment, it MUST be submitted no later than the payment of the issue fee.

The application has been amended as follows:

Please Cancel Claims 1 – 7.

Allowable Subject Matter

2. Claims 8 - 28 (renumbered 1 – 14) are allowed over the prior art of record.

3. The following is an examiner's statement of reasons for allowance:

The prior art of record, U.S. Pat. No. 6,275,824 (O'Flaherty) discloses a system for storing and retrieving data from plurality of database tables wherein the database tables is controllably accessible according to privacy parameters stored in the database table. O'Flaherty does not disclose "creating at least one relational access table with each of the first and second system users having at least one record in the relational access table and using a foreign key in the table created at step (e) that is linked to a primary key associated with each of the first and second system user's table of the relational
